Wow!

Personally, I give praise to God for you, yes you, reading through this report, and it is because you have been a blessing to us in 2021 and/or will be a blessing in 2022 and the coming years.

Mission Funds in 2021 was a success largely because you gave. Not to jump ahead of myself as you'll see in this report, how missionaries were blessed because of your obedience and partnership.

Missionaries, their families and children under their care received succor and were reminded of God's love because of you! That's a big deal! You are a big deal! Thank you for partnering with the Gospel and putting your money where your faith is.

Wow!

#MissionFunds
#ChristmasForMissions

In 2021, we raised NGN1,611,500 to partner with 11 missionaries, 2 churches and 2 mission bodies across Northern Nigeria (Bauchi, Niger, Kebbi, Abuja, Nasarawa, Kaduna, Kano & Katsina).

I truly thank God for you! We do much more in 2022! Deal?! Thank you!

Love,

Taiwo Jackson

Sometime in August/September, I randomly thought about Christmas, and my heart went to missionaries and how to cater to their welfare during Christmas. Basically, spread the Christmas cheer and boom! #ChristmasForMissions started!

Pastor Hannatu,

This Christmas was really memorable. We did not know where or how we would get funds to cook for the community, so the gift came right on time!

We bought supplies to feed not just our immediate community of 98 people, but also for other community members around, made up of Muslim Hausas and Fulanis.

For a full week between Christmas and New Year's day, we fed up to 500 people (apart from our core household of 98) who kept trooping in and out to felicitate with us.

This eased the tensions and made it easy for us to reach out to them with the gospel. All we can say is THANK YOU!!

Pastor Jeremiah,

It was the best Christmas I have ever had as a Missionary. I was able to cook well and share food with the people of the community around me, telling them of the love of Jesus.

We used that as an opportunity to preach to the people about Jesus. My family also had no funds before the funds came from a Missions 1 partner and nothing else came from any other source all through Christmas.

Missionaries need more of this kind of support so the work will move fast. We will be able to focus on the work on the mission field.

Rev Lanzah,

On behalf of Global Missions Board and Kamuku HMF of Niger state, I write to express our heartfelt gratitude for your gift of N50K to support God's work in the mission field.

The fund helped us buy 3 trips of sand and 3 trips of gravel to build a fence preventing easy break-ins into the mission house.

We really appreciate your donation, may God reward and bless your labor of love for Christ and grant you more grace to do more for His glory.

Once again, we are indeed very grateful, remain blessed in Jesus mighty name.

Pastor Paul,

My children came up with a list of items they needed for the Christmas celebration, the total cost of the items on the list came to about 30 thousand naira.

We all prayed that the Lord would supply all that we needed for the Christmas celebration.

A partner of Missions 1 sent us 50 thousand naira, which more than covered the cost on the list, the money sent was used for buying clothes, foodstuffs and other items which was sufficient for the Christmas period and beyond

The family's last child's birthday was on Christmas day and the funds sent to us helped make his birthday celebration great.

The Macedonian Call

#MissionFunds
#ChristmasForMissions

At a few minutes to 11pm, on 30th December, 2021, I received a message from one of our missionary partners, for an urgent Macedonian Call for residents in a village in Miyawa, Bauchi State. Miyawa's population consists 2% believers only, with the remainder, Muslims and Traditionalists.

The mission field received a 2-week ultimatum to bring the Gospel to the Traditionalists in the Miyawan Village. A call of NGN155,0000 was made, to cover for basic needs like transport, drugs for the villagers, mattresses, food and a few other essentials. We supported them with 71,000 which was raised in less than an hour.

What about 2022?

#MissionFunds
#ChristmasForMissions

In 2022, by God's grace, we run on multiple cylinders

- Givings

In 2022, God's willing, MissionFunds will be better structured, our givings will be structured, twice a year; mid-year and year end

- Newsletters

We will also be sending newsletters twice a month, once a few things are in place. So please, keep your devices close and your emails closer

- Prayers For Missionaries

Asides funding the gospel, we will also be praying for missionaries, probably once a week or a month. Clear directives on that will be communicated soon as well

What about 2022?

#MissionFunds
#ChristmasForMissions

- Clothes Drive

Furthermore, there will be a clothes and book drive.

Clothes for both children and adults, note and textbooks for missionary children, because quite a number of missionaries run schools and orphanages and because of resources, insecurity and(or) persecution, are unable to send the children to schools.

That said, we see that 2022 is indeed our year of Greater Light!

Summary,

We raised NGN830,500 for #GlobalWomans25th and #MissionaryWidowSupport in May 2021, and in December 2021, we raised NGN781,000 for the #ChristmasForMissions and Macedonian Call.

Thank you for giving to the Lord!

We do much more in 2022!!!
